

Why Did I Join GNYHFA?

“If I were a plumber, I would belong to the plumbers union. If I were a teacher, I would belong to the PTA. If I was an old guy, I would belong to AARP. But I am in the furniture business, so I belong to the association that supports me as a rep and also my retail customers.”

*- David Goldstein
Universal Furniture*

Networking Opportunities • Educational Seminars
Discount Plans • State/Local Lobbying • IHFRA Affiliate
Support of Furniture Industry Related Charities
Retailers • Reps • Industry Suppliers
